Course Title:	TQUK Level 2 Emergency First Aid at Work (QCF)
Duration:	1 day (Can be tailored to your requirements)
Times:	9am till 5pm
Certification	A4 TQUK Level 2 Emergency First Aid at Work Certificate

Course Details

This accredited qualification is ideal for those already working or preparing to work within industry wishing to become an Emergency First Aider in the workplace for the purposes of the Health and Safety (First Aid) Regulations 1981 and the Health and Safety (First Aid) Regulations (NI) 1982.

The recommended course duration is 1 day and topics covered include: the roles and responsibilities of the Emergency First Aider, assessing an incident, recognising signs and symptoms of injury and illness and assisting a casualty who is suffering from injury and illness. The qualification is assessed via on-going oral and/or written questioning and practical demonstration.

All successful students will be issued with a Emergency First Aid at Work Certificate, along with a wallet-sized plastic card detailing their achievement. The HSE dictate, that to be valid in the workplace, learners must retake the Emergency First Aid at Work qualification before the expiry of 3 years from the date that the original qualification was achieved. The HSE state that the full Emergency First Aid at Work qualification must be taken again to be valid in the workplace.

The HSE strongly recommend that all first aiders complete an annual first aid refresher courses and our online course meets this requirement.

The content of this and all our courses has been independently certified as conforming to universally accepted Continuous Professional Development (CPD) guidelines and come with a Certified CPD Statement as well as a ProTrainings Certificate and for online courses an Evidence Based Learning statement.
